**OFFICE OF PETITIONS**

In re Application of :  
Derek J. Hei et al :  
Application No. 10/016,323 : **DECISION ON PETITION**  
Filed: December 10, 2001 : **UNDER 37 CFR 1.78(a)(3)**  
Attorney Docket No. 282172000404 :

This is a decision on the petition under 37 CFR 1.78(a)(3), filed April 29, 2004, to accept an unintentionally delayed claim under 35 U.S.C. § 120 for the benefit of priority to the prior-filed nonprovisional applications set forth in the amendment embodied in the instant petition.

The petition is **GRANTED**.

A petition for acceptance of a claim for late priority under 37 CFR 1.78(a)(3) is only applicable to those applications filed on or after November 29, 2000. Further, the petition is appropriate only after the expiration of the period specified in 37 CFR 1.78(a)(2)(ii). In addition, the petition under 37 CFR 1.78(a)(3) must be accompanied by:

- (1) the reference required by 35 U.S.C. § 120 and 37 CFR 1.78(a)(2)(i) of the prior-filed application, unless previously submitted;
- (2) the surcharge set forth in § 1.17(t); and
- (3) a statement that the entire delay between the date the claim was due under 37 CFR 1.78(a)(2)(ii) and the date the claim was filed was unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional.

The instant pending application was filed on December 10, 2001, and was pending at the time of filing of the instant petition. A reference to the prior-filed nonprovisional applications has been included in an amendment to the first sentence of the specification following the title, as required by 37 CFR 1.78(a)(2)(iii).

The instant nonprovisional application was filed after November 29, 2000, and the claim herein for the benefit of priority to the prior-filed nonprovisional applications is submitted after expiration of the period specified in 37 CFR 1.78(a)(2)(ii). Also, the reference to the prior-filed

nonprovisional applications was submitted during the pendency of the instant nonprovisional application, for which the claim for benefit of priority is sought. See 35 U.S.C. § 120. Accordingly, having found that the instant petition for acceptance of an unintentionally delayed claim for the benefit of priority under 35 U.S.C. § 120 to the prior-filed nonprovisional applications satisfies the conditions of 37 CFR 1.78(a)(3), the petition is granted.

*The granting of the petition to accept the delayed benefit claim to the prior-filed applications under 37 CFR 1.78(a)(3) should not be construed as meaning that the instant application is entitled to the benefit of the prior-filed applications. In order for the instant application to be entitled to the benefit of the prior-filed applications, all other requirements under 35 U.S.C. § 120 and 37 CFR 1.78(a)(1) and (a)(2) must be met. Similarly, the fact that the corrected Filing Receipt accompanying this decision on petition includes the prior-filed applications should not be construed as meaning that applicant is entitled to the claim for benefit of priority to the prior-filed applications noted thereon. Accordingly, the examiner will, in due course, consider this benefit claim and determine whether the instant application is entitled to the benefit of the earlier filing date.*

A corrected Filing Receipt, which includes the priority claim to the prior-filed nonprovisional applications, accompanies this decision on petition.

Any inquiries concerning this decision may be directed to the undersigned at (703) 305-8680.

This matter is being referred to Technology Center Art Unit 1651 for appropriate action on the amendment filed April 29, 2004, including consideration by the examiner of applicant's entitlement to claim benefit of priority under 35 U.S.C. § 120 to the prior-filed nonprovisional applications set forth in the amendment embodied in the instant petition.
